Launch of New VIVAT International Website

VIVAT is pleased to launch its new revamped and improved website!

You can quickly navigate from the front page directly to specific VIVAT and United Nations issues of focus. We have changed our graphic design and print layout, to better assist you, our reader, so that you will have an easier access to those links that are of particular interest to you.

Let us hear about your work for justice, peace and the environment.

Visit, explore and let us know what you think!

Greetings to you from VIVAT Central Office, New York!

With Best Wishes!
