SODALIUM SOCIETATIS VERBI DIVINI

2026

Updated: October 1, 2026

Apud Curiam Generalitiam SVD
ROMAE

Notes

The names of the confreres are listed in alphabetical order, without distinction between brothers and clerics. Heads of the SVD communities (provincials, rectors, district superiors, praeses) occupy the first place in the list of their communities. Parish priests, presidents of universities/colleges, directors of schools, and heads of other institutions are listed in their communities in alphabetical order, regardless of their positions.

The personal data indicated in the Catalogus contains: Surname (last or family name) / given (baptismal) name / place of birth / diocese of baptism / code for the country of birth. After each name, there are five sets of numbers. These refer to the year of: 1. birth 2. novitiate (please note that this does not refer to the year of entrance into the pre-novitiate program) 3. first vows 4. final vows 5. ordination to the priesthood (for the brothers, two ** are placed in lieu of the date of ordination).

The country of birth (a code of one number and three letters) is written after the name of each confrere. This does not necessarily coincide with his present nationality or citizenship. It simply refers to the name of the country at the time when he was born. In some cases, the boundaries or the identity of a country may have changed in the meantime.

Some Provincial and Institutional e-mail addresses are published in the Catalogus. A more comprehensive list of SVD e-mail addresses can be found online at http://www.svdcuria.org or E-mail to: communications@svdcuria.org

Please note the deadline for submission of revision data for the Catalogus.
All the revised data for the next edition of the Catalogus should be in Rome by November 1 of each year at the latest.
Catalogus Office: catalogus@svdcuria.org

Notas

Los nombres de los cohermanos están elencados, en orden alfabético, sin distinción entre hermanos y clérigos. Los responsables de las comunidades SVD (provinciales, rectores, superiores de distrito, praeses) ocupan el primer puesto en el elenco de sus comunidades. Los párrocos, rectores de universidades/colleges, directores de escuelas y responsables de otras instituciones están elencados en sus comunidades en orden alfabético, independientemente de sus cargos.

Los datos personales indicados en el Catalogus son: Apellido / nombre / lugar de nacimiento / diócesis de bautismo / código del país natal. Después de cada nombre hay una serie de cinco números. Estos se refieren al año de: 1. nacimiento, 2. noviciado (nótese, por favor, que éste no se refiere al año de entrada al programa de pre-noviciado), 3. primeros votos, 4. votos perpetuos, 5. ordenación sacerdotal (para los Hermanos se ponen dos ** en lugar de la fecha de ordenación).

El país natal no indica la nacionalidad actual o pertenencia cultural sino el país en el cual ha nacido el cohermano. Podrían darse casos, en los cuales los límites de un país hayan cambiado entre tanto.

En el Catalogus se publican algunas direcciones E-mail de Provincias y otras Instituciones. Otras direcciones E-mail SVD podrán encontrarse por Internet: http://www.svdcuria.org o por E-mail a: communications@svdcuria.org

Fecha tope para la presentación de los datos revisados para el Catalogus: Todos los datos revisados para la próxima edición del Catalogus deben llegar a Roma, a más tardar, para el 1 de noviembre de cada año.
Catalogus Office: catalogus@svdcuria.org

Vorbemerkungen

Die Namen der Mitbrüder sind ohne Unterschied zwischen Brüdern und Klerikern in alphabetischer Reihenfolge aufgeführt. Nur die Oberen (Provinzial, Rektor, Distriktsuperior, Präses) sind davon ausgenommen: sie stehen jeweils an erster Stelle. Leiter von Institutionen wie Pfarrer, Universitätspräsidenten, Schuldirektoren etc. sind unter der jeweiligen Gemeinschaft aufgeführt.

Im Catalogus werden die folgenden Personalangaben eines jeden Mitbruders in der angegebenen Reihenfolge aufgeführt: Familienname, Vorname, Geburtsort, Diözese der Taufe (d.h. wo der Mitbruder getauft wurde), Geburtsland (d.h. kurzes Kennzeichen des Geburtslandes). Nach dem Namen stehen fünf Zahlen. Sie bedeuten: 1. Geburtsjahr, 2. Eintritt ins Noviziat, (dies bezieht sich nicht auf ein Aus-bildungsstadium vor Eintritt ins Noviziat), 3. erste Gelübde, 4. ewige Gelübde, 5. Priesterweihe (für die Brüder stehen an dieser Stelle zwei **).

Der Name des Geburtslandes sagt nichts über die Nationalität oder kulturelle Zugehörigkeit aus, sondern nennt nur das Land seiner Geburt. Ferner ist zu beachten, daß in der Zwischenzeit einige Landesgrenzen verändert wurden.

Einige E-mail Adressen von Provinzen und anderen Institutionen sind im Catalogus veröffentlicht. Weitere Listen von SVD E-Mail Adressen sind im Internet unter folgenden Adressen zu finden: http://www.svdcuria.org
oder durch E-mail: communications@svdcuria.org

Einsendeschluß der Daten für den neuen Catalogus: Alle Änderungen sollen jeweils bis zum 1. November in Rom vorliegen.
